ADVICE TO SUMMER RE-SORTERS. Take a return ticket. The walking

may be bad. Take your own wife. In case of

doubt wear glasses. Take an air cushion. The wooden

mattress may be hard. Take a tooth brush. The one at the hetel may be lost.

Take an accident policy. You may go fishing. Take advice. If you don't need it,

it will keep. Take a room big enough to swing a cat in. If you haven't a cat, swing

Take plenty of exercise. The larger the appetite the more you get for your board money.

Take time. Take a train. Take "The Alma Record" if you want all the local and county news.

Announcements are out in booklet form advertising the Big Rapids district M. E. camp meeting which will be held at Reed City, August 2 to 12. In addition to the more than fifty M. E. pastors of the district who will take part in the services, Dr. James Potts, editor of the Michigan Christian Advocate, Dr. C. B. Mason and a bishop or two will be present to assist in the two Sunday services.

Those who borrow The Record each week in order to read it can learn of a much cheaper way to procure it by calling at The Record office.

Advertise, And don't stop with one dash into public print. Keep a dashing-'tisn't money tossed to the dogs by any manner of means but ducats well invested. Don't advertise to cut all the life out of profits. Get legitimate profits but in advertising bear down heavily on quality. Preach quality from one year's end to the other; never let up on this. Once you get your name up as selling "the best for the money," a flock of sheep following the bell wether is not to be compared to the confidence people will have in you as a dealer in reliable goods.

"I always like to trade with So and So," how often one hears it said of a special merchant; "he's 'scone than soon,' you might say, with his selections, and you can rely absolutely upon his word."

Keep people saying pleasant things about you; they can't say too many

One would think the Laxative idea in cough syrup would have been advanced long before it was. It seems the only rational remedy for Coughs and Colds would be to move the bowels and clean the mucous membranes of the throat and longs at the same time. Kennedy's Lax-ative Honey and Tar does this. It is the Original Laxati e Cough Syrup, the best known remedy for Coughs, Colds, Croup, Whooping Cough etc. Tastes good and harmless, Sold oy Chas, Rhodes.

IMPORTANT TO ALMA.

Profit by This and Find Safeguard Against Many Ills. Nothing is more important to Alma than the good health of her people. How can they fill their place in this busy town unless they are well?

No one trouble is responsible for more nervous ills, siceplessitess, general de-bility, weakness, back-aches, rheumatic pains, even ill-temper and peevishings,

Fortunately, a combination of remedie called Mi-o-n's stomach tablets, has been discovered that absolutely cures indiges-

tion and restores to health and strength the whole digestive system. So reliable is Mi-o-na in curing all forms of stomach weakness and troubles that Chas. Rhodes gives a signed guarantee that the remedy will cost nothing unless it cures. Mi-o-na sells for 50 cents, and is invaluable to anyone who suffers with indigestion, nervousness or weak stomach.

A good complexion is impossible with the stomach out of order. If pasty sallow people would pay more attention to their stomachs and less to the skin on their faces, they would have better complexions. Kodol for dyspepsia will digest what you eat and put your stomach back in right shape to do its own work. Kodol relieves palpitation of the heart, flatulence, sour stomach, heart burn, etc.

Sold by Chas. Rhodes.
